Reading News

Reading at home is a very important part of the home/school learning connection. It is a Jane Addams requirement that students read each night. Don't forget to help your kids keep up with those monthly reading calendars.

Join us for Family Literacy Night on Thursday, October 26th from 4:00-5:30 at Garfield School. Activities include character dress up, table games and more! Stay tune for more details about this exciting event.

Data Night

Jane Addams will host a parent data night on Wednesday, November 8th from 3:30-4:30 in the lunchroom. This parent workshop is an opportunity for parents to learn more about the assessments students take throughout the year, how to interpret the results, and how it all relates to student learning. The 5th grade team will present. Mark your calendar!
